

Box Full Of Letters

Wilco

Intro:

E E E E*

|E B | A F#m A
Got a box full of letters, Think you might like to read
|E B | A F#m A
Some things that you might like to see, But they're all addressed to me
|E B | A F#m A
Wish I had a lotta answers, 'Cause that's the way it should be
|E B | A F#m A
For all these questions, Being directed at me
|E (B) || B(hold) (A)| A^{2/4}(hold)
I just can't find the time To write my mind The way I want it to read

I wish I had a lotta answers, 'Cause that's the way it should be
