thegreyhound station
2.: I'd like to say but I might gonnaget a ticket to ride gonna
have to go to start over again might go
3. runnin round lookin for answers to questions that I already know I could

G G D D

find that lady with 2 or 3 kids and sit down by her side and get up
back down to Texas I might go somewhere that I never been count
build a castle of memories just to have somewhere to go.

G G C C

ride till the suncomes up and down round me bout 2 or 3 times smokin'
in the morning and go out at night and I won't have to go home get used to being
the days and the nights that it takes to get back in thesaddle again feed

G G D D

cigarrettes in the last seat try to hide my sor- ow from the people I meet. and
alone change the words to this song. and start
the pigeons some clay turn the night into day

1. 4.
G G C C

get along with it all go down where the people say Ya'll sing a

1. 4.
G   G   D   D

song   with   a friend   change   the shapethat I'm in.   and get

1-4.
G   C   G   D/F#   5x
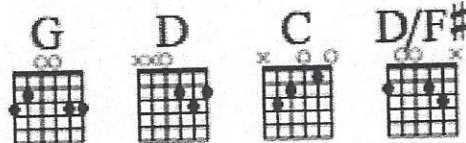

back   in thegame   andstart   playing   again.
singin'   again
start talkin   again   when   I know   what to say   3.   I'm going   5x

CAPO 4

Intro:

```
G    G    C         C
G    G    D/F#   D/F#
G    G    C         C
G    D/F# G       G
```

Verse 1:

```
        G                           G                    C            C
I'm going down to the greyhound station Gonna get a ticket to ride
        G                           G                    D            D
Gonna find that lady with 2 or 3 kids And sit down by her side
        G                           G                    C            C
And ride until the sun comes up and down around me about 2 or 3 times
        G                           G      D                          D
smoking cigarettes in the last seat       hide my sorrow from the people I meet
        G                           G                    C      C
And get along with it all       go down where people say ya'll
        G                           G      D                     D
Sing a song with a friend Change the shape that I'm in
        G                                  C          G          D/F#
And get back in the game And start playing again
```

Verse 2:

```
        G                           G                    C          C
I'd like to stay but I might have to go to start over again
        G                           G                                D                D
I might go back down to Texas I might go somewhere that I've never been
        G                           G                    C          C
And get up in the morning and go out at night And I won't have to go home
        G                           G      D                D
Get used to being alone Change the words to this song
        G                           C                  G          D/F#
And start singing again
```

Intro:
```
G    G    C         C
G    G    D/F#   D/F#
G    G    C         C
G    D/F# G       G
```

Verse 3

      G   G   C   C

I'm tired of running round looking for answers to questions that I already know

      G   G   D   D

I could build me a castle of memories just to have somewhere to go

        G   G   C   C

Count the days and the nights that it takes to get back in the saddle again

      G   G   D   D

Feed the pigeons some clay   Turn the night into day

      G   C   G   D/F#

Start talking again when I know what to say

Verse 1

        G   G   C   C

I'm going down to the greyhound station Gonna get a ticket to ride

        G   G   D   D

Gonna find that lady with 2 or 3 kids And sit down by her side

        G   G   C   C

And ride until the sun comes up and down around me about 2 or 3 times

       G   G   D   D

smoking cigarettes in the last seat   hide my sorrow from the people I meet

       G   G   C   C

And get along with it all   go down where people say ya'll

       G   G   D   D

Feed the pigeons some clay   Turn the night into day

      G   C   G   D/F#

Start talking again when I know what to say
